Product Proportion (FOB) Imported by ARGENTINA in All

Product Proportion (CIF) Imported by ARGENTINA in All

✓ Keep Only ✕ Exclude

In selected year(s), the total CIF value of 3004.9: Containing antigens or hyaluronic acid or its sodium salt imported by ARGENTINA is 35.48% of the total.

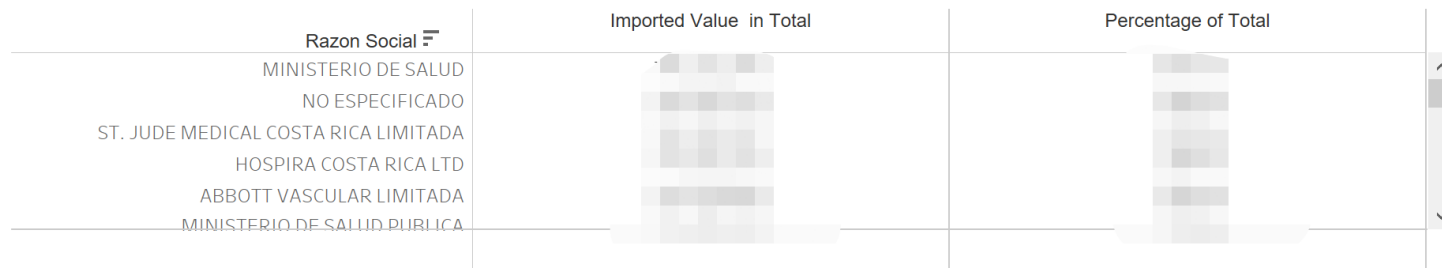

MD Custom Data in Latin America -- Importer Analysis at Total Countries Level

Importer(Business Name) Ranking

Select Importer

(Multiple values) ▼

The measurement of total imported value is FOB. If the FOB is null, then use CIF instead. The total value here is aggregated regardless of import countries and years.

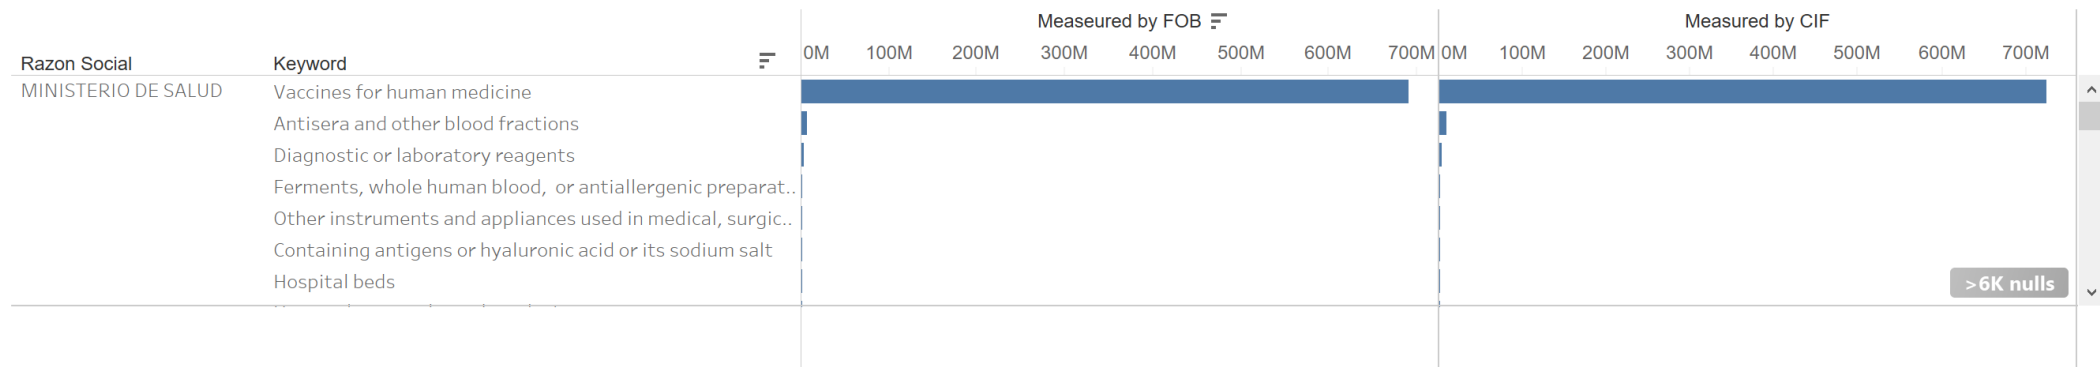

Countries Included Here

Argentina
Ecuador
Costa Rica
Guatemala
Colombia
Chile
Panama
Uruguay
Peru

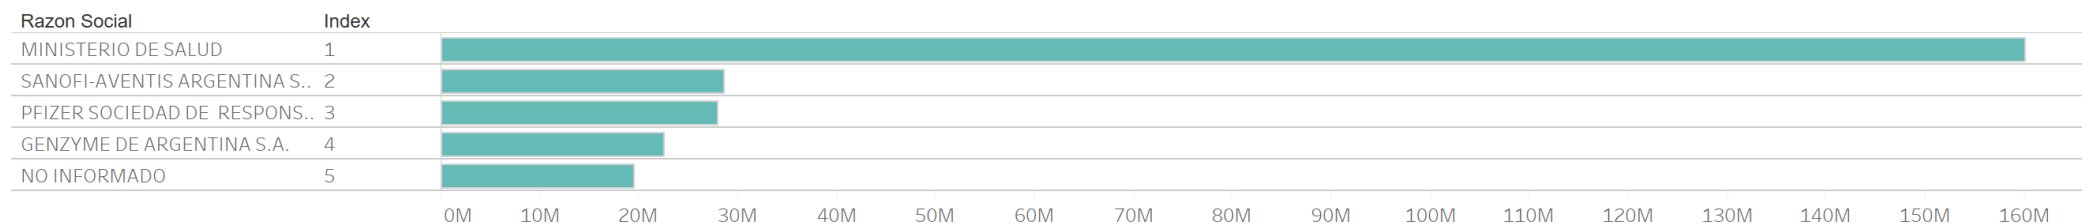

Note: Other countries do not have information about importers

Items imported by Importer(Business Name)

The total value here is also aggregated regardless of import countries and years.

The total value is aggregated mainly by FOB regardless of year. (If there is no FOB value, then CIF is used instead)

Check the table below to see where, what, and how much each importer imported.

Country Cantidad

Mexico imported the most volumn of products in Latin American countries.(This is a picture of the whole dataset and might not change with the filters)

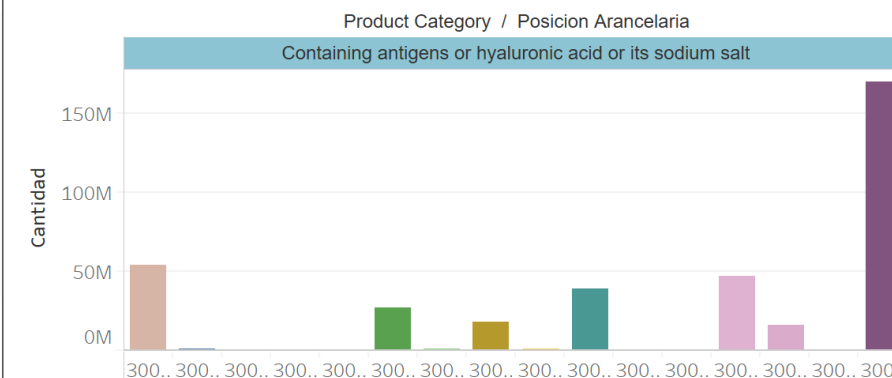

Product Category

Total FOB is aggregated by each product category. (will change when selecting Pairs) For some countries whose FOB is not available, CIF value is used instead.

Unit Cantidad

The value is summarized by each Posicion Arancelaria under each product category.

Unit FOB & CIF

Unit value is calculated for each position arancelaria. Normally, unit CIF is larger than unit FOB
